dpr Send registration to The Altek Media Group
 231 E. Alessandro #A-363, Riverside, CA 92508
 Phone: 951.781.8624 FAX: 951.781.8625

CANCELLATION POLICY: If you fail to attend a workshop in which you have enrolled, you must provide at least five full business days advance notice in writing. Individuals who fail to give advanced notice or who fail to attend the class in which they are enrolled will be charged the full amount of the workshop.

How to Register

On-Line:

www.fullservice.com/dpr

By Fax:

(951) 781-8625

By Mail:

The Altek Media Group
 231 E. Alessandro #A-363
 Riverside, CA 92508

Space is limited to 40 districts—one person per school district. Priority is given to school districts that have not attended previous training workshops. Spaces fill quickly, so we recommend that you register early. If the workshop has reached its capacity, we will place your name on a waiting list.

Cost

The fee is \$20. The fee includes course materials, continental breakfast and a box lunch.

Cancellation Policy

If you register for a workshop and cannot attend, you may send a substitute. If you or your substitute is unable to attend a workshop in which you have enrolled, you must provide at least five full business days advance notice in writing. Individuals who fail to give advanced notice or who fail to attend the class in which they are enrolled will be charged the full amount of the workshop. ALTEK reserves the right to cancel a workshop if fewer than 25 participants enroll. If this occurs, you will be given the choice of a full refund or attending another workshop in a different location should slots be available.

Course Credit

The Department of Pesticide Regulation has approved six hours of continuing education credit for this workshop.

About the Workshops

These one-day workshops will feature:

- A review of integrated pest management (IPM) principles
- Hands-on demonstrations and tours of major pest problems around school buildings and grounds:

LANDSCAPE IPM—Weeds in landscape and turf, yellowjackets, burrowing rodents

STRUCTURAL IPM—Ants, cockroaches, rats, mice and birds; food service and storage area pests.

Who Should Attend

IPM coordinators; other district staff responsible for pest management such as administrators, maintenance and operations directors, facilities directors, groundskeepers, and custodians.

Workshop Dates and Locations

Workshops are scheduled at the following locations. Choose the one that works best for you!

- **April 12, 2007 (Thursday)**
 Stockton
 Franklin High School
- **May 22, 2007 (Tuesday)**
 Bakersfield
 Kern Agricultural Pavilion
- **June 27, 2007 (Wednesday)**
 Carson
 Carnegie Middle School
 (Los Angeles County)

About the Presenters

Landscape IPM—Michael Baefsky is a landscape IPM consultant. He has been researching, teaching and advising in this field since 1975. Michael's work focuses on developing and carrying out ecologically sound solutions to landscape problems.

Structural IPM—Ingrid Carmean has been involved in research, agricultural consulting, and structural IPM since 1977. She has worked with a large school district assessing pest management practices and teaching pest prevention, IPM, and effective pesticide use for more than ten years.

Agenda

7:45-8:25 a.m. Registration
8:25-8:35 a.m. Welcome
8:35-8:50 a.m. Introductory comments
